APC UPS Select Partner

Part No.

Product Description

Adept Power Solutions is an APC Select Partner and in today's 'always on, always available' world where businesses can't stop and downtime is measured in Pounds and American Power Conversion (APC) provides smart UPS protection against some of the leading causes of downtime, data loss and hardware damage: power problems and temperature.

As a global leader in network-critical physical infrastructure (NCPI) solutions, APC sets the standard within the industry for quality, innovation and support. Its comprehensive solutions, which are designed for both home and corporate environments, improve the manageability, availability and performance of sensitive electronic, network, communications and industrial equipment of all sizes.

Adept Power Solutions recommends APC UPS, as it is well known for its quality and innovation and has perhaps the longest list of accolades in its industry. Not satisfied with this, APC is working diligently to achieve its corporate mission of creating delighted end users by improving the manageability, availability and performance of information and communication systems through the rapid delivery of innovative solutions to real customer problems.
