Riello Sentryum 15kVA Active 3/3 Phase UPS S2

Part No. S3T/10/ACT/S2

Product Description

The Sentryum (S3T) range is Riello UPS's third generation of transformerless online Uninterruptible Power Supply (UPS) systems. Produced as an upgrade to the popular Riello Multi Sentry UPS, the Sentryum delivers key improvements including USB, RS232, and RJ10 ports, as well as a variety of communication card slots.

The Riello UPS Sentryum (S3T) 15kVA Active UPS system has a 6-minute runtime at full load. This highly efficient UPS has no internal batteries and delivers full-rated power (unity Power Factor).

The three-phase input/output Sentryum possesses a powerful control system that reduces harmonic voltage distortion (<1% at resistive load and <1.5% at non-linear load), providing enhanced overload and short circuit capacity to guarantee optimum availability.

Equipped with a 5-inch colour touchscreen and intelligent LED status indicator, the Sentryum (S3T) range ensures that you remain up to date with the current operating state of your UPS.

This product is scalable up to 8x UPS in parallel to increase capacity or build redundancy.

Features

- No Internal Batteries
- Three Phase Input
- Three Phase Output
- 5-inch Colour Touchscreen
- LED Status Indicator

Specification

Manufacturer	Riello UPS
Power (VA)	15k
Input Phase	Three
Output Phase	Three
Weight (Kgs)	177
Depth (mm)	850
Width (mm)	380
Height (mm)	1025
